Office of the Hon'ble the Resident in Mysore

No. 290-13

Bangalore, the 16th June 1914.

A copy of the foregoing letter, with enclosure, is forwarded to the Government of His Highness the Maharaja of -- Mysore, with the remark that, in the absence of any objection, the Resident is prepared to issue the necessary certificate for the trial of the case in British India, under section 188, Criminal Procedure Code.

Copy of letter Ref. No. 506 dated 6th June 1914, from the Assistant Superintendent of Police, Coorg, to the Commissioner of Coorg through the District Magistrate of Coorg.

I have the honour to bring the following facts to your notice and to request that the necessary action may be taken thereon.

2. Mr. L. Newcome, owner of four estates, viz., Kalhally, Chowhally, Iygoor and Cowcody estates, the last of which is partly situated in Mysore and partly in Coorg, has lodged a complaint against Mr. Green Price, his quondam manager, now residing at Suntikoppa, Coorg, charging him with having committed offences punishable under sections 408 and 477 A of the Indian Penal Code.

State ordishict?
Manzerabad Taluq Hassan Dt Mysore

3. The details of the various charges against the accused are noted below:-

(1) The accused was employed by the complainant as a Superintendent of his aforesaid estates between the years 1909 and 1912. While he was in charge of these estates, he made entries in the cash account maintained for Iygoor estate that he paid firstly Rs.1,000/- in February 1910, secondly Rs.453/- in March 1910 and thirdly Rs.532/- in July 1910, to Messrs. Stanes and Co., of Coimbatore, for manure said to have been purchased from that firm. The firm on being asked states that the accused ~~paid~~ paid only Rs.1300/- to them, that he purchased manure of the value of Rs.1,550/- only, and that the complainant paid the balance of Rs.250/- together with the interest due thereon for the delay in making this payment. From which it will be seen that the accused actually overcharged Rs.685/- and thereby reduced the cash balance by that amount which he misappropriated.

(2). In the same year he made an entry in the cash account maintained for Iygoor estate that he purchased sulphate of potash for Rs.1592/-. On investigation it is elicited that he did not purchase the said manure for the said amount and thereby committed misappropriation in respect of this sum also.

3

(3). In April 1912, the accused made entries in the cash account maintained for Chowhally, Kalhally and Cowcody estates that he paid Rs.954-10-3 towards the assessment of the above estates due to the Mysore Covernment. On investigation it is found out that the accused never paid this amount but the complainant paid it with interest after he returned from England about the end of 1912.

(4). On or about the month of October 1912, Mr. Green Price sold two horses belonging to the estate shortly before he left for -- England without the permission and consent of Mr. Newcome. Of the above, one of the horses was sold at Suntikoppa to Mr. Macpherson of Yemegundi estate, Suntikoppa, Coorg, on or about the month of October 1912. The sale proceeds of the said horses were also misappropriated by the accused.

(5) In the year 1912, the accused made an entry in the cash account of Chowhally estate that he bought coffee plants of the value Rs.50/- for the said estate. Investigation discloses that he purchased ~~x~~ coffee plants of Rs.5/- only and that he used the plants grown on the nurseries of Chownally and Kalhally estates and misappropriated Rs.45/-.

4. Mr. Green Price resided in Cowcody estate and managed all the estates belonging to the complainant from there. Cowcody estate comprises 400 acres about 200 of which are situated in Coorg, the remainder of Cowcody and the other 3 estates are situated entirely in the Mysore State.

5. It may be as well to state here that Mr. Newcome has lately brow a Civil case before the Sub-Judge, Mercara, on practically the same issues which now form the basis of a Criminal charge. Acting on this information and the knowledge that one at least of the charges of Criminal Breach of Trust had been committed in Coorg itself I proceeded to Suntikoppa and arrested the accused on the 13th ultimo.

6. The accused was released on bail on the 14th idem not, I presume, on account of the weakness of the charges, but owing to the fact that there is no suitable accommodation for a European prisoner under remand in the Mercara Jail.

7. I gather that the accused, when his trial comes on, has been advised to contest our right to enquire into the case as well as to contest the right of jurisdiction of the Courts in Coorg. I would here point out that section 188 of the C.P.C exactly meets the case.

8. Mr. Green Price is a British subject and has committed certain offences while residing in the Mysore State together with one specific offence committed in Coorg itself. The provisions of the section alluded to above require that the sanction of the Political Agent must be obtained before the accused can be charged in British India.

9. Taking into consideration the facts already given which may be briefly condensed as follows:-

i. The accused resided in Cowcody estate part of which is situated in Coorg;

ii. That he resides at present in Coorg;

iii. That he committed one specific offence in Coorg itself

iv. That several of the witnesses reside in Coorg;

I have the honour to request that you will address Colonel Sir Hugh Daly, K.C.I.E., Resident in Mysore, and obtain his permission to prosecute the accused in Coorg, under section 188 of the Criminal Procedure Code.

Forwarded.

As the jurisdiction of the Coorg Courts seems to be doubtful, I think it is advisable that the Chief Commissioner's sanction should be obtained before any further action is taken in this matter.

District Magistrate.

Submitted to His Highness.

In connection with the vacancy caused by the transfer of Mr. B. Basavaradhya as Assistant Commissioner to the Revenue Department, the Chief Court recommended that Mr. T. Venkoba Row, Munsiff, Chitaldrug, be appointed as Deputy Registrar, Chief Court. As the post of Deputy Registrar is, under the new rules, included in the cadre of Munsiffs, the recommendation of the Chief Court which amounts to a mere transfer may be kindly approved.

To fill up the vacancy caused in the list of Munsiffs, the Chief Court propose that Mr. V. Venkatachar, B.A., B.L., Advocate, Bangalore, be appointed Munsiff on probation, subject to his passing the Local Service Revenue and Registration examinations. It is however ascertained that the candidate recommended is not a native of the country though he has been practising in Bangalore for some years. Seeing that a large number of local young men now practising at the Bar also possess qualifications required for the post of a Munsiff and are willing to accept the post if offered, it does not seem desirable that one, who has not passed the two local examinations and does not perhaps possess an adequate knowledge of the Vernacular of the country should be preferred.

In this view, the Second Member of Council and myself are agreed that the Chief Court may be requested to nominate another candidate after duly considering the qualifications of all eligible Graduates in Law practising in all parts of the State. The First Member has no objection to this course. Only he thinks that the Chief Court may not be able to throw any fresh light on the subject.

If His Highness approves, the Chief Court will be addressed accordingly.

I am not quite sure that the interpretation put on the rules by Mr. Justice Chandrasekhara Aiyar is correct. At the same time, I think that in making appointments hitherto, we have not been insisting on the passing of the Rev & Regn Exams.

Instead of asking the Chief Court for new nominations, it would have been easier to have acted

on the last letter and made a selection here.

The best reply to Govt now would be that when there are persons qualified under ~~all the~~ rules by passing all prescribed exams, Govt vets the nomination now made, unless the Ch. Court can certify that all the ~~non~~ Candidates fully qualified are otherwise ineligible.

Of Course I write with diffidence as I am unaware of the exact intention of Govt in the d.o. letter sent to the Ch. Court, and was not for overruling the Ch. Court.

I may also state that the nomination rests with the Ch. Court in all these cases.

Chief Court of Mysore,

My dear Sir,

In reply to your D.O. No.487 dated the 10th ultimo, I am directed to state that the Chief Court made the nomination in question after taking into consideration the qualifications and claims of all graduates eligible and practising in all the Districts of the State, and to request to be informed whether the nomination made by this Court is vetoed by Government on the ground of the candidate not having passed the Revenue and Registration Examinations. In this connection, I am to state that doubts are entertained as to the correctness of the interpretation of the rules on the question and to send herewith a copy of a minute by Mr Justice Chandrasekhara Aiyar.

graph to you if I can arrive at a satisfactory result.

The 2nd Member of Council is not here, and I am not sure where exactly he is. I have not been able to Consult him either.

As at present advised, I think that Mr. Raghavachar B.A., L.L.B Advocate in Mysore who has passed all the re-

quired examinations and is a Native of Mysore (being the Son of Mr B. Tirumalachar Dist Judge) may be selected as Munsif and appointed on the usual terms of probation &c in place of Mr Venkoba Rau. In the Chief Court's letter, he is mentioned as among the Candidates also eligible but requiring more

experience at the Bar before being selected'. But in a communication since received, the Dist Judge has strongly recommended him, and as he has passed in the 1st Class, and as he is spoken of highly by others consulted by me, I think he deserves to be selected.

We shall have to appoint a Munsif to act in place of Mr Narasimhaiengar

of Kolar who has applied for Sick leave. The Chief Court has not made any recommendation, as we wished to know the result of the last one (so as to apply the same principle) before doing so. I think that Ramaswami Iyer District Sheristadar of

Bangalore who recently acted for short periods in ~~Ko~~ Kolar and Kolar may be appointed (as the vacancy is temporary) and tried for a further period: I shall consult Mr. Chari Sreekharayya and also the Secretary Member if I can reach the latter by tele-

from and telegraph to you tomorrow or on Monday. If you can telegraph orders back to the Secretary, there will be time to issue her before the reopening of Courts on the 25th.

I am sorry that we could not settle the matter earlier ~~is~~ but

the differences of opinion consi-
dered this not possible

Minute.

In the D.O. letter under disposal the Chief Court is asked 'to nominate a candidate who is fully qualified and eligible for the post of a Munsiff after considering the qualifications of eligible law graduates practising in all the Districts of the State

2. This Court can obviously only take into consideration the claims of those who have actually expressed their desire to be appointed; and as we had already weighed the merits of all such when our original nomination was made, I do not consider that any further process of enquiry is necessary on the present occasion.

3. I note that no opinion is expressed in the Secretary's letter as to eligibility or otherwise of the particular candidate whom all the Judges agreed in nominating as the fittest for the vacant place; or, for that matter, with regard to any of the other names alternatively suggested by my colleagues. The difficulty of making a selection in the form in which the matter was left to Government in the Chief Court's official communication possibly accounts for the present reference.

4. The said official communication suggests the existence of some uncertainty as regards the qualifications necessary for a candidate

a candidate to be selected for a Munsiff's place. Personally I do not feel any doubt or difficulty in the matter. No doubt para 6 of the Local Service and Pleader's Examinations Rules states that no person who has not passed the examinations specified in each case will be eligible for certain appointments. But a clause like this, which sets forth the departmental tests that must be passed before a person is fully qualified to hold a particular appointment, is not itself a rule of recruitment, and it must be read in the light of and subject to the substantive rules if any which regulate recruitment to that appointment in the State service.

5. Now so far as concerns recruitment to the class of Assistant Commissioners (who, it will be remarked, are required by the clause quoted above to pass all the departmental examinations imposed on Munsiffs), this is governed by the Mysore Civil Service Rules. These Rules do <u>not</u> contemplate the <u>previous</u> passing of any such departmental examinations as a necessary condition of selection, but provide merely that the same shall be completed prior to the expiry of the period of probation which follows upon such selection, and that when a probationary Assistant Commissioner <u>becomes</u> fully qualified he shall be confirmed at the end of such period.

6. An exactly similar course should in my opinion be adopted

adopted - and, if I am not mistaken, has all along been adopted,— in the case of Munsiffs also. As a matter of fact this is the view that underlies the Government Order of 6th January 1913, No. J.1869-70/Cts.158-12-1, regarding the classification of Munsiffs; for that Order provides that an officer appointed to be Munsiff shall be on probation for two years, and that ' after the lapse of the probationary period and on becoming qualified, he will be confirmed as Munsiff, Fifth Class, on Rs.200/- per mensem '. The words underlined imply that the passing of the qualifying tests is not - any more than it is in the case of applicants to the Mysore Civil Service - a condition precedent to the appointment of a person as a Munsiff on probation; it is only required for his confirmation after the lapse of the probationary period. Any other view would indeed work an unnecessary hardship on candidates (imposing as it would on a large body of applicants the burden of passing a number of departmental tests on the chance of some one of them being selected for a particular vacancy), and it would also take away much of the purpose and utility of a two years' period of probation (apart of course from its affording a test of satisfactory work).

That is to say, by the passing of all the prescribed qualifying tests. Compare the use of this expression in the Mysore Civil Service Rules.

7. If this view commends itself to my colleagues, the - Secretary may be informed that the Judges continue to be of the opinion

opinion that the person already selected by them as being ' the most eligible among the candidates ' is ' fully qualified ' under the existing rules for appointment as a Munsiff on probation, and that the selection may under the circumstances be approved by Government.

Mr V. Venkatachar, Advoate.

8. Should, however, a change in the existing rules or in their interpretation be contemplated, it is obviously just and desirable that that should not have retrospective operation, but should only be applied to cases that may arise in future after the change is duly published in an order or notification so that all applicants may hereafter know what conditions they have to fulfil.

9. In any case till our recommendation is definitely vetoed by Government, and a fresh basis of selection authoritatively indicated, it seems to me unnecessary and inexpedient to make other or alternative recommendations.

Sd-. K.S. Chandrasekhara Aiyar,

28th April 1914. Judge

My dear Nanjundayya,

With reference to your note in the file relating to the appointment of a Munsiff in place of Mr. Venkoba Rao, you are aware that one of the reasons for referring the matter back to the Chief Court was that the candidate recommended was not a local man and might therefore not possess an adequate knowledge of Kannada. In this view, his appointment in preference to local graduates at least equally qualified is sure to give rise to public comment and some legitimate dissatisfaction. If you agree in this view, I shall be obliged by your kindly sending a fresh recommendation from the Chief Court.

If you think this course is not feasible, you may yourself suggest for consideration the name of another candidate from the list furnished by the Chief Court. If possible, the recommendation may be sent up to me after discussion with the Second Member. This will facilitate speedy disposal of the question.
